

CLEANERS & DEGREASERS

BRAKE CLEAN
HYDRAULINK BRAKE & INDUSTRIAL PARTS
CLEANER
600ML

- Applications: Hydraulink Brake and Industrial Parts Cleaner quickly removes grease and oil. Components can often be cleaned without having to disassemble them. Hydraulink Brake and Industrial Parts Cleaner is non-corosive, non-staining and evaporates quickly leaving no residue. Hydraulink Brake and Industrial Parts Cleaner can be used on brakes, industrial machinery, tools and workshop equipment.
